LOS ANGELES

SUMMER 2023

PRESIDENT'S MESSAGE

Kevin Boyle

It has been wonderful to see everyone at the great events we have had so far in 2023. The dinner programs on the Johnny Depp and Elon Musk cases, as well as the Judicial Reception, were all very enjoyable and well-attended. As always, thanks much to our Dinner Chairs (Terry Bates and Eric Lorenzini) and our Executive Director (Linda Sampson), as well as to all of you, for making them so successful.

The way Mr. Musk is going, we will surely need a second installment of that dinner soon. Or maybe we can host the Musk v. Zuckerberg Cagematch as dinner entertainment? And who knows, Mr. Depp could surprise us with some new fireworks too.

Looking forward to the rest of ABTL 2023, including, of course, Hawaii in October.

Aloha!

Kevin
